- If a game is tied at the end of the time limit, no further play is permitted. The game will end in a tie (exception: tournament play).

Batting:

- The batting order shall include the entire roster of players (continuous batting) and **ALL PLAYERS** will play out in the field while on defense.
- The batting order follows exactly the roster presented at the beginning of the game for the entire game.
- The batting order will only change if a player was not able to take their turn, for instance due to injury or sickness. There will be no out recorded for injury or illness.
- If a player arrives after the rosters are exchanged by the coaches, then his/her name should be added at the bottom of the roster/batting order.
- When a batter is at bat, the base coaches **must be in the coach's box**. The other coach must be in the dugout.
- The dugout coach is responsible for picking up the bats.

Batter:

- Batter will be allowed a maximum of three (3) strikes.
- A batter cannot be called out swinging on a foul ball.
- The umpire must declare **PLAY** or **PLAY BALL** before the batter may hit the ball. **Penalty:** ball is dead and batter is out.

- If a player throws a bat after hitting, a warning will be given. If the bat is thrown a second time, the player will be out.
- Stealing bases is not allowed.
- Head base runner will determine when play is stopped. Aggressive base running is encouraged to actively aid in the players learning to throw the ball to each and every base.
- ~~If a ball is overthrown, on first base only, one additional base will be granted.~~

Pitcher:

- The pitcher must begin play with **both feet on the rubber**, infielders must be on the infield dirt in their regular positions and outfielders must be on the outfield grass when the batter is in the batter's box and the ball is put into play.
- ~~If a runner is occupying 3rd base and advances home, the pitcher may run down the runner for the out.~~ **All players are encouraged to throw and make the out – see Page 3 rules for offensive running and throwing and how to draw the Field lines.**
- The ball is dead and the runners must return to the last legally touched base if the catcher has the ball and touches home plate or if the pitcher has the ball and touches home plate or the pitching rubber.
- If a pitcher fields a ball on the rubber, he may in a reasonable amount of time (2-3 seconds) make an attempt to make a play or the umpire may declare the play dead. This is a judgment call.
- If a pitcher or catcher makes a force out at home, they must retouch home plate or the pitchers rubber to kill the play as described above.

Safety:

- All catchers must wear catcher's helmet with throat guard or batter's helmet with face guard and a throat guard.
- Pitchers must wear full batters helmet.
- All batters and base runners must wear full batter's helmet.
- No on deck batters. All players must stay in the dugout until it is time to bat.
- If players are playing around in the field, have your umpires trained to stop play and get them on track.

Other:

- Coaches **must** have the umpire's permission to be on the field at any time during play. Failure to do so will result in disciplinary action, except in the case of injury to a player and then time must still be called.
- **No Coach** will charge out of the dugout when questioning an umpire's decision. An act of this nature will result in immediate dismissal from the game/ ballpark.
- Harassing of umpires, opposing players, or opposing coaches will **not be permitted** for any reason.
